

Ole Miss Fall Institute 2017

September 14th & 15th
The Inn at Ole Miss

Featuring:
**Jessica Dykstra
Steinbrenner, Ph.D.,
CCC-SLP**

Evidence-Based Practice in School- Based Settings for Children and Adolescents on the Autism Spectrum

Sponsored by:
UM NSSLHA Chapter &
Department of Communication
Sciences and Disorders

Dr. Jessica Dykstra Steinbrenner, Ph.D., CCC-SLP is a certified speech/language pathologist and a research scientist at the Frank Porter Graham Child Development Institute at the University of North Carolina at Chapel Hill. She is also an adjunct assistant professor in the Division of Speech and Hearing Sciences. Her research interests are in the area of Autism Spectrum Disorders (ASD) focusing on school-based interventions for individuals with ASD. She is currently working for the Center on Secondary Education for Students with ASD, developing a comprehensive intervention program for high school students with ASD, has worked as a speech/language pathologist with elementary and middle school children with ASD and other developmental disabilities, and has publications in many professional journals as well as two textbook chapters.

Dr. Dykstra Steinbrenner has relevant financial relationships with the following entities that may be discussed as part of this presentation: she is a speech/language pathologist, Assistant Professor and research scientist in the Frank Porter Graham Child Development Institute at the University of North Carolina at Chapel Hill. She holds financial relationships with Nova Publishing and Sage Publishing. She holds non-financial relationships with, and is a member of the International Society for Autism Research (INSAR) and the American Speech Language Hearing Association (ASHA).

Learning Objectives:

1. Identify core features of autism spectrum disorder (ASD) and key areas of need across the school years.
2. Choose target goals related to core features based on student and setting characteristics.
3. Guidelines for key evidence-based practices to target social and communication skills.

Continuing Education

This course is offered for 1.0 ASHA CEUs (Intermediate Level, Professional Area).

The Mississippi Department of Education will award 1.0 CEUs of credit for this course. AL, AR, LA, MO, and TN must gain district approval for Continuing Education. Commercial products, materials, procedures, and opinions presented at the 2017 Ole Miss Fall Institute may reflect the viewpoint or approach of Dr. Dykstra-Steinbrenner. They are not to be attributed to the University of Mississippi or the accrediting agency for whom we are a provider.

Agenda
