Sciences and Disorders

Pam Marshalla has been a practicing speech-language pathologist since 1976. She completed a Master's Thesis in phonology at the University of Illinois under the direction of Elaine Pagel Paden and Barbara Williams Hodson. She has worked with clients of all ages and ability levels in schools, hospitals, university clinics, parent-infant programs, residential facilities, and private practice. Pam is the author of nine books, one standardized assessment tool, one children's music CD, and several published articles. She has taught hundreds of continuing education courses to tens of thousands of speech-language pathologists in the United States and Canada. These have included numerous invited local, state, regional, and national conventions. Pam is a "clinician's clinician" whose practical books and seminars successfully integrate research data and clinical experiences.

### Learning Objectives: Frontal Lisp, Lateral List, Distorted R

- Diagnosis
- Create central groove for each sibilant
- Keep tongue inside mouth
- Teach tongue position for correct "R"
- Facilitate both the consonantal & vocalic "R"
- Design appropriate homework for the lisps & "R"

### Carryover in Articulation Therapy

- Develop auditory self-monitoring for carryover
- Practice carryover methods in therapy, classroom, & home
- Use conversation effectively to facilitate carryover
- Motivate carryover in uncommitted clients
- Involve family & friends in the carryover process

### Continuing Education

This course is offered for 1.2 ASHA CEUs (Intermediate level, Professional area). The Mississippi Department of Education will award 1.2 CEUs of credit for this course. AL, AR, LA, MO, and TN must gain district approval for Continuing Education Credit.
