Let’s Get Ethical !!!

Josephine S. Alston, M.A.,CCC-SLP
University of Mississippi Medical Center
Department of Otolaryngology and Communicative Sciences
• I do receive a salary from UMMC
• I am being reimbursed for my travel and lodging for this presentation
• I have no other income related to this topic or the Ole Miss Fall Institute 2019
• I am a member of ASHA and hold my CCC’s
Learner Objectives (that’s for you)

- Participants will be able to utilize the ASHA Code of Ethics (COE) for reference in their practice setting
- Participants will be able to describe the correct steps to take if they recognize or experience an ethics violation in their practice setting
- Participants will be able to describe ASHA’s new requirement for ethics training starting 1/1/2020
eth·ics

/eTHiks/

noun
1. moral principles that govern a person's behavior or the conducting of an activity.
2. the branch of knowledge that deals with moral principles.

-Webster’s Dictionary
MY INSPIRATION...
...of what not to do...Michael Scott & Olivia Newton-John
Why is it important to know about ASHA’s Code of Ethics

► Protect yourself, don’t get in trouble
► Protect your clients/patients, do no harm
► Protect your profession, keep your friends
► Meet your requirements for ASHA Certification beginning Jan 1, 2020, because they said so!
